Multiply your employable value

What problems did you solve for others? Why?	What business processes have you used or developed? How?	How did your EMPLOYER benefit from your passion and process knowledge? What problem did you solve *for them*?

Your Passion **×** Process Knowledge **=** Results for others

Passion	Process Knowledge	Results others need and want
Homeless	Resource Planning	**Cheaper** – Sales, Expenses, SG&A
Unemployed	Social Media Marketing	**Faster** – Efficiency, productivity
Successful teams	Statistical Process Control	**Better** – Quality (service, products)
Selling	Process Engineering	**More** – Functionality, customers
Organized living	Event Planning	**People** – Morale, turnover, training
Financial Literacy	Laboratory Management	
Business Education	Mentoring
